6<sup>th</sup> March 2025

Dear Pharmacist,

We wish to advise you that the above listed batches of Neupogen® 30 MU (0.3 mg/ml) solution for injection filgrastim are being recalled with immediate effect.

This recall is going to **pharmacy level**.

This action has been agreed with the Health Products Regulatory Authority (HPRA).

The reason for the recall is a stability issue whereby out of specification results for purity were detected at the 36-month (expiry) time point.

**Please perform the following actions:**

1. Immediately identify and quarantine any units of the above batches within your pharmacy. For hospital pharmacies, this includes units at wards, clinics and any other relevant locations within the hospital.
2. If you have supplied these batches to any other pharmacy, clinic or other such healthcare establishment, please forward a copy of this recall letter to them, requesting that they immediately quarantine and return any unused units back to you.
3. Return all quarantined units to your supplier indicating that the stock is returned as result of this recall action. The final date for recalled stock to be received back for credit is 20<sup>th</sup> March 2025.

Unaffected replacement stock is currently available to order.
