Palmeux 75 mg prolonged-release suspension for injection in prefilled syringe	PA1142/040/003	4300693	08/2025

28th June 2024

Dear Pharmacist,

We wish to advise you that the above listed batches of Palmeux 150 mg prolonged-release suspension for injection in prefilled syringe and Palmeux 75 mg prolonged-release suspension for injection in prefilled syringe are being recalled with immediate effect.

This recall is going to **pharmacy level.** This action has been agreed with the Health Products Regulatory Authority.

The reason for the recall is that the above listed batches displayed out of specification results for particle size distribution.

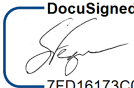

Please carry out the following actions:

1. Immediately quarantine any units of the above-listed batches which you have in your possession. For hospital pharmacists, this includes stock on wards, at clinics or any other location within your hospital.
2. Please return all quarantined stock to the wholesaler from whom you received it. All stock returned within two weeks of the date of receipt of this letter will be eligible for credit.
3. If you have supplied the above-listed batches to any other pharmacy, clinic or other such establishment, please provide them with a copy of this recall letter.

Unaffected stock of Palmeux 150 mg prolonged-release suspension for injection in prefilled syringe currently is available to order. No replacement stock of Palmeux 75 mg prolonged-release suspension for injection in prefilled syringe is currently available to order.

We apologise for any inconvenience this action may cause. Please call Advanz Pharma Medical Information on +353 1800 851 119 or email: medicalinformation@advanzpharma.com if you have any queries.

Yours sincerely,

DocuSigned by:
